

# A LETTER FROM THE PRESIDENT OF IFOSUD

Dear friends, donors, and supporters,

The year 2020, like countless other organizations, was a challenging year for IFOSUD. We needed you in the midst of chaos and, fortunately, you were there. We are so grateful for your prayers and donations which have been a great asset for the success of IFOSUD in Haiti.

The year 2020 is ranked amongst the most troubled year in the human calendar, especially in Haiti. From political tensions to turmoil and economic crisis in one hand and on the other hand from turmoil to Pandemic (covid-19). Such a situation stood up as a tough challenge, but we did get through this the same. **Thanks to generous donors like you, IFOSUD never stopped operating.**

We were able to train 158 farmers, to graduate 37 more farmers in Jeremie, to support 7 beehive producers in Leogane and Gressier communities, to realize 160 household discipleship visits, to organize 360 Bible study sessions with the farmers, to organize a family retreat with IFOSUD staff and employees, to support two spiritual crusades, to have a staff of 23 people to serve our communities, and to launch an Agriculture program for 180 fourth grade students (FFH program) in 6 primary schools.

No matter how bad the situation is, the IFOSUD team is always on the field working, plowing land, telling Bible stories, providing technical and business training, graduating those who completed programs, building up relationships with staff and family members, etc.

Factors that made IFOSUD's work so effective this year are the following: your prayers, the tireless work of Friends of IFOSUD in the USA, generous donations from our donors, and the impact that has been created in the lives of those who are serving in Haiti.

*"Remember this, whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously." (2 Cor 9:6).*

Please continue to help IFOSUD to Plant the Seed of Hope, to continue to Grow the Nation of Haiti. May the almighty God continue to pour His continuous grace upon you all in Jesus Christ's Name.

Sincerely Yours,  
Josué Cesar, President of IFOSUD
