

A note of thanks from IFOSuD's president, **JOSUE CESAR**

"Because of your prayers and donations, **IFOSuD is continuing to float on the ocean of calamities rather than drowning in it.** That means hatching hope in the midst of the chaos, spreading the Gospel amongst the desperate, sharing God's love, and sharing technical knowledge and other relevant resources with children and adults in the remote communities in Haiti. We can testify that your gifts are worth even more than what we were able to do with them; they are the expressions of your love and your heart to serve those in need."

With IFOSuD, We Are Growing!

Ak IFOSuD, Nap Grandi!

OUR MISSION

To assist IFOSuD in teaching valuable economic skills to help reduce poverty and in its efforts to spread the gospel of Jesus Christ to the people of Haiti.

OUR VISION

To see families able to sustain themselves financially, live in communities which support one another, and see their hearts turn to Christ.
