

From the Executive Director
of Friends of IFOSuD
JOHN DRAXTON

"2022 was another year of accomplishing God's work He has laid before us to the best of our ability with the situations we face!! On the ground in Haiti the gospel was shared, many people were educated, and many lives changed. This was all accomplished through the dedication of our staff, grace from God, and our amazing donors!"

BENEFICIARY TESTIMONY

Dominique Nicaise

Let us introduce you to Dominique Nicaise. She is in the small business sector of Farmer Field School in Jeremie.

Before the IFOSuD program she was struggling to survive as a single mom with three children. Each of her business initiatives would fail. Now, with IFOSuD's training, she feels so empowered that she has changed the way she does business. She is selling minutes to everyone in her community!

Her dream is to become a Christian someday. Praise the Lord with us that she is able to provide for her daily needs and that her heart is open to Christ. Pray with us that she and her children will come to know Him as their personal Lord and Savior!
